

**Rule 83 - 2.13 When Electronic Filings are Completed.**

Electronic filing is permitted at all times, except when the electronic filing system is temporarily unavailable due to routine or necessary emergency maintenance. An electronic filing completed at any time before midnight Central time shall be entered on the docket as of that date. The Court's electronic case filing system determines the date and time when a filing is completed. A filing is timely only if accomplished in compliance with deadlines set by an applicable order, rule or statute.
